

御輿哲也教授最終講義

「ヒロシマ、イエイツ、そして故郷 ——被爆2世のひとりごと」

日時：2017年3月5日（日）15:30~17:00

場所：神戸市外国語大学第2学舎502教室

I will arise and go now, and go to Innisfree, And a small cabin build there,
of clay and wattles made: Nine bean-rows will I have there, a hive for the
honeybee, And live alone in the bee-loud glade. And I shall have some
peace there, for peace comes dropping slow, Dropping from the veils of
the morning to where the crickets sing; There is a delight's dim gleam,
and noon a purple glow, And evening full of the linnet's wings. I will arise
and go now, for always night and day I hear lake water lapping
sounds by the shore; While I stand on the roadway, or on the pavements
grey, I hear it in the deep heart's core.
