Cultural experience

The dancing devils came to my ELE class

Diablos de Yare-Yare
スペイン語の授業をきっかけで、様々な文化や知識を学ぶ機会が得られました。また、音楽やダンスを通じて、文化の体験ができるのが嬉しいです。スペイン語の勉強も楽しくなりました。

Question/Commentario:
Throughout the course, the professor presented many Spanish/ Latin American cultures along side the Spanish language. I enjoyed learning about each culture and how it relates to the Spanish language. I liked the idea and background of the culture we learned about for me, these types of learning experience is interesting and makes me to stay more in a longer period of time.

Encountering new cultures makes me want to learn more about the country including the language.
I started learning Spanish because I am willing to travel Spanish-speaking countries in the future.
I like that you included songs and sessions in every class, it was very fun to learn Spanish with you. gracias!
